Ray McGovern served as an analyst and Russian expert in the Central Intelligence Agency from 1963-1990. His work included daily briefings of executive office staff under Presidents Nixon, Ford and Reagan and the President's daily brief during the administration of George H.W. Bush.

*Ray has appeared on The Newshour, C-Span's Washington Journal, CNN, BBC, a number of domestic Russian TV channels, Aljazeera, RT, PressTV, CCTV and many other TV & radio programs and documentaries. His commentaries on international events are regularly featured by ConsortiumNews.com and OpEdNews.com. In 2002-03, together with other former CIA employees, Ray founded the **Veteran Intelligence Professionals for Sanity** and **Sam Adams Associates for Integrity in Intelligence**. He has met with both Edward Snowden and Julian Assange.*
